Lagos

Our Story

Gaby Lagos is a warm and welcoming intimate space where one can enjoy an eclectic Mediterranean and evolved fusion offering, a fine wine experience and artisanal cocktails. Our philosophy is simple; great Mediterranean-inspired food made from the freshest ingredients and exceptional service. Our elegant restaurant which also features an attractive trendy bar, is bright casual and vibrant during the daytime but at dinner; dim lighting, white linen and candlelight present our set table setting with sophistication. Gaby Lagos is the perfect place for a casual lunch, weekend brunch, romantic diner à deux, small or large group gatherings and private events.
